Week at a Glance

A Word from our Principal . . .

Alright, I'll admit it. I'm confused. It was just last week (May 12!!) that I had several inches of snow covering my backyard. Since then, we have had warm days, a few mornings with frost, heavy rains, hail, and even a tornado warning. What month is this anyway? It seems like we have hit multiple seasons just in the past ten days. Does it seem like the weather is a bit out of place these days? Does it seem like the seasons are out of step?

Do you ever feel that something is out of place in your life? Are you out of step with the world around you? As Christians, we are called to be different. God wants us to be noticeably different from the world around us. He wants us to be a light in a dark world. He wants us to be a witness to the world around us. Our attitudes, our values, our priorities, our words are to be different because we belong to Christ. That does mean that we will feel out of step with the world at times, but that is a good thing. That is how we witness to our faith. That is how we show those around us that Jesus is in our lives. You will feel out of place at times, but that is because this world is not really our home. We are here for a brief time, but our home is really in Heaven.

There is a hymn that I remember from when I was much younger. The first line reads, *"I'm but a stranger here, Heaven is my home."* We will be out of place, out of step at times. That is OK. We know where we are headed!

Serving Him and you,

Mr. Busacker, Principal
